Completed Form, ALL Signatures and Copy of Guest's Photo ID are DUE
MARCH 30, 2020

Bringing a guest to the Kennard-Dale High School Prom is a privilege, not a right!

Rules:

Students attending other high schools and any person having recently graduated high school within the last two years and is not 21 years of age or older may be invited. However, middle school age students are not permitted to attend the 2020 Kennard-Dale High School Prom.

The principal reserves the right to grant or not grant permission for any guest. This form, with the principal's signature, must be at the sales table prior to the time of ticket purchase. When permission has been granted for one guest, another guest may not take his or her place without prior permission of the principal.

All rules stated in the Kennard-Dale Student Handbook apply to the 2020 Prom. All guests, regardless of age, must abide by these rules. The person issuing the invitation will be responsible for the actions of his/her guest. Any infraction of school rules may result in persons being asked to leave and further action may be taken. You are also reminded that serious offenses will be referred to the local police.

PROCEDURE:

1. Complete this form (including all required signatures) with an attached copy of a photo ID (Please note it is your responsibility to make a copy of the guest ID) and return it to the main office. When the application has been reviewed, it will be returned to the Prom Committee. If rejected, it will be returned to you. Completing this form does not guarantee permission to bring a guest.
2. When the application has been reviewed it will be placed on file for ticket purchase. At the time of purchase ask the ticket sellers to pull this form from the file. The Prom Committee will retain this form for their records.
3. All guests must also sign and have their parents sign the acceptable behavior contract.
4. When arriving all students and their guest must present a valid Photo ID and ticket before entering the dance.
